TO: ALL GEORGIA MOUNTAINS WORKFORCE INVESTMENT AREA 2 CUSTOMERS
FROM: KIMBERLEE WILSON, DIRECTOR
SUBJECT: SUPPORT PAYMENTS FOR CANCELLED CLASSES
DATE: 2/6/2007
CC: FILE

This correspondence is to clarify a supportive service policy regarding **training provider class cancellations**.

Recently, an area technical college cancelled classes due to the threat of snow and ice. The closure was announced on the local news and radio stations. This office has received Attendance Documentation sheets with various responses regarding attendance on this day. **Because the technical college cancelled ALL classes on this day and it was announced on many news outlets, transportation supportive services will not be paid.**

To avoid any future confusion and to ensure compliance with federal reporting requirements, supportive services will not be paid for ANY class cancellations. As each customer is required to attend their training provider on a full-time basis; this change should affect a very small number of customers; most customers are scheduled to attend more than one class per day.

I apologize for any inconvenience that this may cause. Please feel free to contact your case manager should you have questions or concerns.
